

## ACES NOTIFICATION # 34:

### ATTENTION: ALL ACES USERS

We are very pleased to announce the launch of our new CalPERS On-Line Web site on March 29, 2004. Nothing within the ACES application has changed. The content and address are the same – [www.calpers.ca.gov](http://www.calpers.ca.gov) – but the new CalPERS site will look and feel completely different.

#### **Logging into ACES:**

If you have ACES as a Favorite (Bookmark), just access ACES as you do now. Until you are able to surf the new site, we strongly suggest you add ACES as a Favorite before the new CalPERS On-Line Web site is launched.

Follow the steps below to add ACES to Favorites in Microsoft Internet Explorer:

- Type [www.calpers.ca.gov/aces](http://www.calpers.ca.gov/aces) in the address bar and press Enter
- Click “Favorites” on the top menu bar
- Click “Add to Favorites”

#### **Logging Off:**

The Log Off function within the ACES application only logs you out of ACES; it will not completely close your browser. Until further notice, to completely log off of ACES and shut down your browser, close both the ACES and the CalPERS On-Line browser windows by clicking the “X” in the top right corner.

The best way to learn about all the new features is to surf the site. So, we invite you to spend a few minutes with the brand new CalPERS On-Line, beginning March 29. We think you will agree that finding CalPERS information is now easier and faster than ever.

If you have questions or need assistance, please call the CalPERS Employer Contact Center toll-free at (888) CalPERS (225-7377).

*If you did not receive this Notification by e-mail, contact your Account Administrator or call us at (888) CalPERS (225-7377) to confirm your e-mail address.*
